

Technology Designed to Protect Your Assets

Elite Plus Offers the Same Industry Leading PassTime Plus Features with Greater Flexibility

PAYMENT MANAGEMENT & BEHAVIOR MODIFICATION

PassTime's Elite Plus provides lenders with a flexible and cost effective entry into the Elite family of products.

Elite Plus is the entry-level platform of the industry leading Elite product line. Elite Plus arrives complete with the full functionality of the Elite product line already built in yet at a reduced cost. The Elite Plus platform is designed for the dealer or lender who wishes to control their initial investment costs while maintaining the flexibility to upgrade the devices' service package at their discretion.

Elite Plus IVS builds on the success of the Elite Plus and offers the added benefit of PassTime's Install Verification Service (IVS) to eliminate any installation concerns. In addition, the Elite Plus IVS also provides you with an automated weekly wireless communication. That way you can focus on doing what you do best while being reassured that your assets are always protected.

Call today for more info about the benefits of utilizing either Elite Plus or Elite Plus IVS in your business model. Be sure to ask your PassTime representative about our new and expanded service packages available to you through the Elite product line!
